## Daddy Daughter Dance 2016

How do you rate the Staff on Site/Coaches?	How do you rate the Facility?	How do you rate the office staff/communication?	What was your overall satisfaction with the program/Event?	Please share any thoughts you have on the program:
5	5	5		
5	5	5		
5	5	5		My Daughter and I had a great time. Great memories being made.
5	5	5		The photo booth took way to long. I stood in line for 30-45 minutes. Missed out on a lot of dancing with my daughter.
3	3	3		My daughter and I have attended the dance for 4 years now. I would say that my biggest complaint is the photo booth. I know attempts have been made to speed up the process over the years but the lines are always long, much of the dance we are stuck standing in line. also the photos seem to have gotten smaller.
4	4	4		Door prizes would be nice for kids the Clinton township does that for similar ticket price. Maybe a single carnation for each girl would be an inexpensive but big impact addition.
5	5	5		We have participated in the daddy daughter dance for a few years. We love it!! Thank-you!!
5	5	5		It was better than my daughter ever dreamed of she says.
5	5	5		Would 've like d a disco ball/ also long wait to get special pics with props and couldn't get them taken - line too long and had to go
4	4	5		
4	4	4		Our daughter who is 6 years old had a blast, she danced and danced and when they got home after the dance she made it known they will be going to the next daddy daughter dance!

4	4	4	Overall it was a nice evening for the girls. My only negative feedback would be the execution of the photo booth. My daughters were #54 and #55 to take their photos. We were called up @ approximately 7:45 along with everyone from 50 or higher, the person in front of me was #100. My girls love the photo and have each of the last three years on the wall in their rooms. I knew this would be a disappointment to them if they did not get one. I stood in line and they caught up with me to take our pictures @ 8:35. I only got to dance with one of them, one time, and spent just under half of the night standing in line.
4	4	4	The photo booth line was absolutely horrible.
5	5	5	This gets better and better every year. The Recreation Department and volunteers are fantastic and I appreciate the efforts you make!
5	5	5	The only complaint I have is about the picture booth. After calling the first 50 numbers in intervals of 25 you then called 51 through everyone else. We had #53 yet were behind others with numbers in the 100's... if you're not going to abide by numerical order then get rid of it. We could have got in line for pictures right when we got there but we waited for our number to be called and were punished for it.
4	5	5	It was great.
2	5	4	Nothing to say thats negative
4	5	4	Great party ! My child looks forward to doing this next year

- 1) Minimum quantity of shirts for the lowest price, \$7-\$8. Minimum order would be 100 to get for \$7 each
- 2) Would you charge a set up fee? No setup fee
- 3) Could we pre-order to get shirts ahead of time for all those interested? Pre-orders are welcome!
- 4) If we commit, would we own the design and anyone who wanted the shirt would need to go through the Parks & Rec? I will not sell any on my own, the design would be yours and all sales would go through Parks and Rec
- 5). How soon would you need the order to meet the City Picnic date? If you are planning a large order, I would like to have the order started at least one month ahead of time if possible. It can be closer if needed.

Thank you for the samples, I will share with the parks & Rec commission tomorrow. We are considering orders in bulk to sell for the picnic. Do you have a price you would charge?
